PLEASE READ BEFORE REGISTERING FOR CAMP

Important note: Do not send any USPS mail to our street address: it will not be delivered – use the P.O. Box

Some **general camp information** is on the next page; we hope it will provide useful information about policies and such.

The registration form is the third page:

Please call us before registering if the camper suffers from any disability.

***Camp prices** are first. If day camps are your preference please note the statement about day camp availability; ours are small camps (about 10 girls maximum), and we must give preference to overnights. This might make it difficult for you to plan day camp sessions in advance, and we apologize for that.

Choosing your weeks:** ***Please check with us before registering! We always want to group the girls together by age and riding level as much as possible (we wouldn't want a 9 year old beginner in with a bunch of 16 year old advanced riders). We do not specify in advance the riding level for each week; instead, the folks who register earliest get to choose their camp dates - those dates then become reserved for that girl's general age and experience. So, the first person of the season may pick any dates she wants – the 50th person, will have far fewer choices.

*We hope the rest is clear enough; we will of course be happy to answer any questions you may have, so feel free to call or write anytime.

Finally, please note the **refund policy** at the bottom of the registration page; we can make no exceptions to this.

THANK YOU

THINGS TO BRING

- ___ Sleeping bag and pillow (if you are not arriving by car, we can provide bedding and towels).
- ___ Reusable water bottle.
- ___ Lots of sunscreen, chap stick.
- ___ Swim suit, flip flops, extra towel.
- ___ The usual toiletries (comb, toothpaste, etc.).
- ___ Appropriate riding clothes- long pants (jodhpurs, britches, other close fitting pants), non baggy shirts for riding – long or short sleeves.
- ___ Paddock boots, half chaps or long riding boots. Rubber boots are not ideal – they detract from rider position, and are hot and uncomfortable.
- ___ ATSM-SEI approved helmet. For those campers with limited packing space (e.g. flying in) we have extra helmets. Riding gloves are a nice addition too.
- ___ Extra clothes: Bring shorts, T shirts and other clothes for warm weather. Add a sweatshirt for evening chill. Jeans, broad brimmed hat, comfortable shoes, (sandals are ok, but not to be worn around the horses). “Dress up” attire is not really necessary.

GENERAL INFORMATION

- ___ **Arrival time on Sunday is 1 pm or later. Saturday pickup is between 8 and 11am.**
Please try to stay within these time frames; we need the time to shop and clean up for the next session. We do realize airline scheduling sometimes results in an exception to this rule. We'll be happy to pick up from, and deliver campers to, the Medford, Oregon airport.
- ___ The first formal lesson is on Monday morning. The first meal served is dinner Sunday evening and the last meal is breakfast on Saturday morning – unless you're staying longer of course.

- ___ Please leave at home all tech equipment (e.g. cell phones, blackberries, i things, computers). (If you do bring these, we will keep them in the house for you until you depart)
- ___ Jewelry: No rings, bracelets, necklaces, hoop earrings are allowed around the horses.
- ___ No cigarettes or chewing gum.

- ___ Campers will be able to call home occasionally (no charge) and parents may call or email us: (541-582-8025) (judy@threegaits.com). However, calls to and from campers often create difficulties by disrupting the flow of camp activities, creating homesickness and breaking a camper's momentum, so **we ask that parents and friends refrain from calling or visiting campers during the sessions.**
- ___ Campers usually don't need money with them, but parents may leave some (\$20-\$40 suggested) with your child (or us, if you prefer), in case we go out somewhere.

- ___ Meals at camp are home cooked with natural ingredients, no red meat, always with vegetarian alternatives. We shop at the local farmer's markets and co-op when possible. Vegans may need to bring their own special food (items, such as soy burgers, rice milk, etc.). If you're flying here, we can try to purchase these items locally for you by prearrangement.

Important note: Do not send any USPS mail to our physical address – it will not be delivered. Use the P.O. Box
